Re: Organic Conformity Status

Your Certification Application/Contract, the Inspection Report and documents submitted in support of your claim for organic have been evaluated by the Pro-Cert Certification/Evaluation Committee.

We have determined that your operation and/or products are compliant with the organic programs and equivalency arrangements set out in the enclosed Certificate(s) and attachments thereto. Certification is granted.

The enclosed Certificate(s) of Conformity remains valid unless suspended, cancelled, revoked or expired as specified on the document. Certification may be suspended, cancelled or revoked if non-compliances are discovered and/or not addressed within the specified timeframes.

We would like to thank you for your dedication to Pro-Cert and the organic industry. We look forward to working with you through the next year.

Sincerely,
Pro-Cert Organic Systems Ltd.
